

IIT Guwahati - Department of Computer Science & Engineering

CS 223- Computer Organization & Architecture – End Sem **Dummy Exam (13.06.2020)**

Paper Code: Q5F35

- Read the following general instructions carefully before attempting your question.
- You have to answer 2 questions given below.
- Total time for answering is 1 hour. A maximum mark is 15; (5 for Part A and 10 for Part B). Early submissions (within 1 hour) carry more weightage. Submissions within 30 minutes of grace time will carry a minor penalty. Write your answer with pen on a paper.
- Write your **full name (in BLOCK LETTERS)** and **IITG Roll number** and **Paper Code** on the top side of each page of the answer sheet. Put your **signature** also there. Answer Part A question in the first page and Part B question in the second page. Scan the answer sheet and merge it into one pdf file with maximum 2 pages (ideally one page for each question). Save the pdf file as <RollNo_ES>.pdf where Roll No is your 9 digit unique roll number assigned by academic section printed in your ID card. **Max size is 1MB**.
- Submit the file through Moodle under the End Semester Exam link.
